**HIMALAYAN HEAVY  
ELECTRICALS LIMITED**  
POWERING THE WORLD WITH EXCELLENCE

# PRODUCTS AND SERVICES

01

## POWER GENERATOR

HHEL's generators are known for their reliability and efficiency, making them a trusted choice for various industries and utilities. With a strong commitment to quality, HHEL continues to play a pivotal role in India's energy sector.

02

## TRANSFORMERS

HHEL specializes in manufacturing power transformers, contributing to India's energy infrastructure. These transformers are meticulously designed to efficiently transfer electrical energy across the grid. HHEL employs cutting-edge technology to ensure reliability and performance.

03

## CIRCUIT BREAKERS

HHEL, a leading manufacturer of circuit breakers, specializes in producing high-quality electrical protection devices. HHEL's circuit breakers are trusted worldwide for their performance and durability.

04

## POWER MOTOR

They produce a wide range of high-quality electric motors, including induction motors, synchronous motors, and more. HHEL's motors are known for their efficiency and reliability, making them a preferred choice for various industrial and power generation applications.

05

## TURBINE BLADES

These blades are expertly crafted from high-strength materials to withstand extreme temperatures and pressures, ensuring optimal performance in power plant. Their commitment to innovation and excellence makes HHEL a prominent player in turbine blade production.

## WHAT'S NEW

ISSUE 01 | 24/10/2023

**HIMALAYAN HEAVY  
ELECTRICALS LIMITED**

POWERING THE WORLD WITH EXCELLENCE

## HOW COULD THAT BE?

**"Lighting Up the Unreachable":** Learn how HHEL's products are reaching and electrifying remote areas where reliable power was once a distant dream, and the positive changes this is bringing to these communities.

## WHOLE TOPIC

### TIE-UP

We are thrilled to announce some exciting new partnerships that promise to further strengthen Himalayan Heavy Electricals Limited's commitment to innovation and excellence. Our new partners are

- 1.BHEL(BHARATH HEAVY ELECTRICALS LIMITED)
- 2.HHEL(HINDUSTHAN HEAVY ELECTRICALS LIMITED)
- 3.DAGC(Oil and Natural Gas Corporation)

### SHARE PRICE

In the ever-evolving landscape of the stock market, Himalayan Heavy Electricals Limited (HHEL) continues to be a shining star. As of our latest update, HHEL's share price stands at  $[+6.69\%]$ , demonstrating resilience and growth in the heavy electricals sector.

### HIRING

Are you ready to power your career to new heights? Himalayan Heavy Electricals Limited (HHEL) is looking for talented individuals to join our dynamic team in the heart of the Himalayas. As a leader in heavy electrical engineering, we're dedicated to excellence, innovation, and sustainability.

Current Openings:

- 1.Electrical Engineers
- 2.Research & Development Specialists
- 3.Sustainability Experts
- 4.Operations and Production Managers
